ATHLETICS

Western Wildcats Improve Home Record to 8-2

The baseball team (13-12-1) won both games of Saturday's doubleheader 4-1 and 4-1 against Salt Lake Community College to improve their conference record to 7-5. After winning 10-3 and losing 3-0 on Friday, the Wildcats finished strong to take three of the four games this weekend at John L. Harvey Field.

The Wildcats will travel to Rangle, Colo., to take on Colorado Northwestern Community College in two doubleheaders on Friday and Saturday. Western will return home to face the College of Eastern Utah March 23-24 at John L. Harvey Field.

COLLEGE CORNER

WNCC STUDENTS APPEAR ON "GOOD MORNING AMERICA"

Environmental Health & Safety Coordinator Brian Crowe was watching a recent "Good Morning America" and spotted several students that the television anchors spoke with outside on a New York City street. "At least one of them was wearing a WNCC sweatshirt and another was holding a big sign that said, Fallon Nevada," Crowe said. "They looked like they were having a lot of fun."

WNCC FALLON'S "MERZBAU" ART PROJECT CONTINUES TO GROW.

Fallon art students (L-R) Joanne Serpa, Judy Carlson, April Oakden, Andrea Oliveras, and Aimee Schoenfeldt add on to their interpretation of Kurt Schwitters' "Merzbau." The collaborative sculpture/environment will evolve through Wednesday, March 14.

CEDAR BUILDING MOLD ABATEMENT PROJECT BEGINS TODAY

The Facilities Management and Planning Department will begin a mold abatement project today on the first floor and west stairwell of the Cedar Building. The mold is

encapsulated and currently poses no risk to anyone. To ensure that no one is placed at risk, the college is closing part of the first floor, placing a double protective barrier in the area and retaining a consultant to monitor the work.

During this process, there will be no access to the elevator on the first floor. The elevator will continue to operate between the second and third floors. Access for the handicapped will be via the ramp outside the south end of Bristlecone or by coming through the Bristlecone Building to reach the second floor of Cedar.

The duration of the remediation and restoration is not known until the extent of the problem is identified.

CARSON CITY BOOKSTORE TO GET A MAKEOVER

WNCC Carson City bookstore services will be relocated Monday, March 19-Monday, April 16, while the bookstore is redecorated. This project is funded by the Follett Corporation, which operates the bookstore, and will give the facility a completely new look. A temporary bookstore with basic materials for the campus will be open in Aspen Building, Rm. 226, during the closure.
